

## WHO ARE WE HELPING?

The Army Benevolent Fund (ABF) is the Army's national charity. For over sixty years the Army Benevolent Fund has worked tirelessly to provide financial and practical support to soldiers, former soldiers and their families in times of need.

Help for Heroes supports our wounded. Help for Heroes provides practical direct support to those servicemen and women wounded in the line of duty in the current conflicts in Iraq and Afghanistan.

The Royal Air Force Benevolent Fund exists to provide assistance to those of the extended Royal Air Force Family who need support as a consequence of poverty, sickness, disability, accident, infirmity or other adversity. This extended family embraces all ranks, male and female, who are serving or have served in the Royal Air Force or its associated Air Forces, their widows, widowers and dependants.

BLESMA, full title British Limbless Ex-Service Man's Association, is a British Charity for disabled Ex-Service Men and Women, their dependants and Widows. It is a Registered Charity, Number 1084189.

THE ROYAL BRITISH  
LEGION

The Royal British Legion provides financial, social and emotional support to millions who have served and are currently serving in the Armed Forces, and their dependants. Currently, nearly 10.5 million people are eligible for our support and we receive thousands of calls for help every year.

**ST DUNSTAN'S**

an independent future for blind  
ex-Service men and women

[www.st-dunstans.org.uk](http://www.st-dunstans.org.uk)

At St Dunstan's, we provide crucial assistance to ex-Service men and women with very significant loss of sight. Our specialist training and support helps them regain their independence and optimism and make the most of the opportunities available to them. We're partners for life, helping not just St Dunstaners, but also their families, who often need support or advice in their own right. Teaching new skills, sorting out housing issues, helping with benefit claims, and providing a thriving sporting and social network are just a few of our many roles.

*SUSCIPIO VETER*

**Project 65** is a military charity which was founded in 2007 to raise funds for the care and support of wounded armed forces personnel.

Our aims are simple:

- To raise the profile and funding of major organisations that provide the vital care and support for those affected during the service of their country
- To promote the efficiency of Her Majesty's Armed Forces
- To support our armed forces veterans

Every donation given to Project 65 will make a difference to the amount of money we can provide for our chosen beneficiaries and will enable them to continue providing the vital care and support they give to individuals and families affected by injury or trauma as a result of service in the UK armed forces. These do not just include the current and recent conflicts in Iraq or Afghanistan but also Kosovo, Bosnia, Northern Ireland, The Falklands, Borneo, Aden, Korea and of course WWII.

**More information about the charity and our fundraising and challenge events can be found at**

**[www.project65.net](http://www.project65.net)**

**PROJECT 65** has become synonymous with challenge events which unite both the civilian public and the military. Our first challenge event was the now legendary 'RUN TO PEGASUS', a 65 mile run to Normandy for the 65<sup>th</sup> anniversary of D-Day in June 2009.

In May 2010, we are staging the 'FORCES MARCH', a daunting 130 mile march from Ilfracombe to Bulford. Teams of 4 or more persons are invited to take part in this incredible event which is staged over 5 days from Thursday 27<sup>th</sup> May to Monday 31<sup>st</sup> May.

Each team member will have a fundraising target of £1000.

For more details and to apply for a place on the march, please visit
